West Side News and Notes

Butler Springs Registration – It is time once again to be thinking about Church Camp at Butler Springs. At this time, camp is hoping to operate with a normal summer schedule. Butler Springs has over 50 different camp opportunities offered each summer. Opportunities like Day Camp for the youngest campers, Safari camps for those who want to rough it, Paintball camp for the strategist, Canadian Outback and Wild West Virginia for the adventure seeker, and Be Creative for the creative thinker. There are also base camps like Adventure 456 (Michael is the dean) and High School week, along with sports camps for soccer, volleyball, and basketball. Registration is now open, and if you register in tier 1, which cuts off March 18, West Side will pay 50% of the registration cost for West Side youth. After tier one, our percentage goes to 33% and the camp cost goes up. You can find out more at butlersprings.com. While there you can also register (Make sure you use our code when you do, 20Lebanon21).

Coat Closet Clean Out ~ When we shut down last March, several coats, sweaters, and jackets were left behind. If you have been missing something this fall and winter, please check to see it is not in the coat closet. We ask that only one person at a time enter this small space. Everything left behind after Sunday February 7th will be donated to Matthew 25.

West Side Coat Closet ~ Due to its small space, our coat closet will remain closed. Please keep your coats with you and use the pew in front of you for them.

Covid-19 Update and Reminder ~ As Covid-19 cases continue to remain high in our region and state, we want to offer a few reminders. We are asking that everyone continue to wear a mask before, during, and after our services. If you are sick, or have been sick within 24 hours, please participate in our Online Service. If you have been diagnosed with Covid-19, please follow the health department and CDC's recommendations for isolation and quarantine. Again, we want to thank you for your understanding, flexibility, and patience during this challenging and trying times.
