

Last week we were introduced to our series about stones. We studied about Jacob and how if the stone he used as a pillow could cry out it would tell us we must make faith in God our own as well as challenging us to a personal relationship with God. Today we look at the tables of stone upon which God wrote the Ten Commandments he gave to Moses. Those tablets were broken but later replaced. And those replacement stone tablets have a message for us this morning.

IF THESE STONE COULD TALK...MOSES STONE
Exodus 34:1-33 (Psalm 19:14)

If these stones could talk they would say **FOLLOW THE LORD** because....

- I. He has a **VITAL MISSION** for you (Exodus 34:1-4)
- II. He is the **TRUE MASTER** for all time (Exodus 33:5)
- III. He is **FULL** of **GRACIOUS MERCY** (Exodus 33:6-7)
- IV. He has the **INFINITE POWER** of **MIRACLES** (Exodus 33:8-10)
- V. He wants to **MANIFEST HIS GLORY** through _____ (Exodus 28-33) *****
