

Sermon Notes: A Weird Way to Save the World

Philippians 3:1-11 (Isaiah 29:13)
(Page 815 in the Pew Bible)

Many world religions are defined as man's attempts to be good enough to please their gods. Sadly, many Christians even believe that about following Jesus. However, our salvation in Jesus is not found in what we can do. Our salvation is not granted because we are good enough. Our salvation does not even waver when we have a bad day. God chose a weird way to save the world when He sent Jesus Christ to die for our sins.

If you _____ what normal people _____, do what normal people _____; however, if you want what _____ people have, do what _____ do.
