West Side News and Notes

Butler Springs Registration – As our daylight grows incrementally longer with each passing day, we are reminded that summer is right around the corner. With summer, comes church camp. At this time, camp is hoping to operate with a normal summer schedule. That means, it is time to start thinking about which of the 50 different summer camp opportunities you are going to be sending your kids to. Opportunities like Day Camp for the youngest campers, Safari camps for those who want to rough it, Paintball camp for the strategist, Canadian Outback and Wild West Virginia for the adventure seeker, and Be Creative for the creative thinker. There are also base camps like Adventure 456 (Michael is the dean) and High School week, along with sports camps for soccer, volleyball, and basketball. Registration is now open, and if you register in tier 1, which cuts off March 18, West Side will pay 50% of the registration cost for West Side youth. After tier one, our percentage goes to 33% and the camp cost goes up. You can find out more at bultersprings.com. While there you can also register (Make sure you use our code when you do, 20Lebanon21).

Acts Online Bible Study ~ We will be continuing our online Zoom Bible Study of the book of Acts this Thursday, January 7th starting at 7 PM. Come join us! Talk to Cheryl Fox for details.

West Side Coat Closet ~ Due to its small space, our coat closet will remain closed. Please keep your coats with you and use the pew in front of you for them.

Church Family Christmas Cards ~ Please pick up your Christmas Cards if you have not already done so. If you can take cards to someone who isn't able to come yet, that would be great!

Covid-19 Update and Reminder ~ As Covid-19 cases continue to remain high in our region and state, we want to offer a few reminders. We are asking that everyone continue to wear a mask before, during, and after our services. If you are sick, or have been sick within 24 hours, please participate in our Online Service. If you have been diagnosed with Covid-19, please follow the health department and CDC's recommendations for isolation and quarantine. Again, we want to thank you for your understanding, flexibility, and patience during this challenging and trying times.
