

Sermon Notes: WEIRD View of Relationships

2 Samuel 11 (Matt. 6:33)

(Page 214 in the Pew Bible)

In our world of Facebook, Twitter, Instagram, Snapchat, YouTube, and texting people seem to be connected more than at any other time in history. However, even with all of this it still seems that many struggle with relationships. That because when we look at relationships through the normal lens we fight for ourselves and our desires. To have healthy supportive relationships we must view them through a weird lens.

If you want what normal people have, do what normal people do; however, if you want what few people have, do what few people do.

- Normal people find their _____ in the _____ of others
- Weird people find their _____ in _____

- Normal people turn to _____ and _____ to _____ relationships
- Weird people invest _____ and _____ into _____ relationships

- Normal people _____ relationships for what they _____ out of them
- Weird people _____ in relationships by _____ there _____ others

- Normal people _____ others when they are _____
- Weird people try to _____ the _____ of another when hurt
