## What We Believe

The West Side Church of Christ exists to love and lead people to a life changing relationship with Jesus Christ. We place our complete faith and trust in Jesus Christ. We believe Jesus was born of a virgin, died for our sins in an expression of God's love, and rose from the grave. We believe the Bible is the inspired Word of God, and it has authority over our lives. We hold on to no human creed and have no church government beyond our local elders. We have no creed but Christ and no book but the Bible. We teach the divine plan for salvation: Faith (Mk. 16:16), Repentance (Acts 2:38), Confession (Matt. 10:32,33), Believers Immersion (Gal. 3:27), and Holy Living (1 Cor. 6:11). Finally, we believe we are Christians only, not the only Christians.

Would you like a group of people to talk with to help you navigate this time and to work together with to reframe our political identity away from the "what" of political positions and toward the "how" of being centered fully on Jesus? If so, we will be offering a Bible Study, led by Jason Newlon, through the book and video series *The After Party: Towards Better Christian Politics*. There is a sign up sheet in The Hub for those who are interested. We plan to start the study some time mid to late August on a date yet to be decided.
