## The Value of Tradition

Exodus 12:24-28

West Side Church of Christ – Michael Dawson – August 30, 2020

- Tradition is \_\_\_\_\_ because people have real \_\_\_\_\_ associated with them
  - When they came to \_\_\_\_\_ faith in \_\_\_\_\_
  - What got them through a \_\_\_\_\_ season of life
  - What taught them a \_\_\_\_\_ life lesson
- God \_\_\_\_\_ a tradition for Israel to help them \_\_\_\_\_ what He had done for them
- Traditions \_\_\_\_\_ be a part of the \_\_\_\_\_ of the church
- It is our responsibility to pass on to the next \_\_\_\_\_ the \_\_\_\_\_ of our traditions
- Each generation is going to need their \_\_\_\_\_ traditions to help them \_\_\_\_\_ what God has done for them
- When I want the church to hold onto a tradition, I must ask these questions ...
  - Is the tradition \_\_\_\_\_?
  - Why do \_\_\_\_\_ this tradition?
  - Is this tradition \_\_\_\_\_ someone in their relationship with Christ
