*We Remember*

Sunday July 2, 2017  
10:30 AM

As Americans, it is our privilege to live in the greatest nation this world has ever seen. As Christians, it is our privilege to worship in a land that is free. This nation, and our freedoms, have been provided for and protected by men and women throughout the ages who have sacrificed on our behalf. This July 2<sup>nd</sup>, we will honor those men and women who have served and continue to serve this great nation as *We Remember*.

Join us for one combined service, July 2<sup>nd</sup> at 10:30 AM.

## AND NOW, A NOTE FROM AN ELDER...ERIC MEILSTRUP

We continue to work through the situation with the raccoons and the work above the ceiling. We are in line to have the work done and that will be later this summer. We also have been promised final drawings on our sign so in July we plan on officially getting in line to have that completed. By this time next month, we hope to have the

old conference room and the new closet painted. In addition, the steps for the playground are almost finished and look great!

All in all progress, but we slowed down some to take care of the issues that need to be done first. Thanks to all who are working hard at getting everything completed.

## Missions News

### Christian Children's Home of Ohio

CCHO is a child caring and mental health agency in Wooster, Ohio committed to excellence. We are licensed by the Ohio Department of Job and Family Services, certified by the Ohio Department of Mental Health, and accredited by the Council on Accreditation, and the Evangelical Council for Financial Accountability (ECFA).

With support from dozens of churches, community organizations and a host of caring individuals along with the hard work of more than 150 employees and oversight from our Board of Trustees, CCHO has since 1969 existed to help people experience their worth in Christ as a

licensed Child Care Agency. We are grateful and humbled by the work God has done through CCHO, and we can't wait to see what He does over the next 50 years!

**Here is a brief note from Dan Franks, the Community Development Manager ...**

Thank you for your faithful support of the Christian Children's Home of Ohio (CCHO).

Here's one quick story of how your support is making a difference. In the past month, a ten-year-old girl was sent to us because she was being used in human trafficking **as a toddler**. She has now seen her younger sister being used in a similar way and has led this 10-year-old to begin cutting herself. The process of her healing is just beginning and we appreciate your prayers for her.

Also, we have a brief (1-2 minute) video which gives an overview of CCHO on our YouTube page. A link to the page is listed below.

Thank you again for partnering with us!

## Some Food For Thought

I am not a mechanic but every now and then I play one in my spare time. Sometimes I really enjoy working on my cars and other times I do it because I am too cheap to pay someone else. Over the last two weeks I have tackled two major problems on Crystal's van; replacing the rear brakes and fixing the non-working air conditioning system. Both projects threw me unexpected twists and took longer than I had anticipated, but I can happily say, both are finished.

There is something wonderful about looking back and being able to say, "I made that" or "I fixed that." That's because God created us to work. Back in the very beginning man was placed in the Garden of Eden to care for it. Genesis 2:15 tells us, "The LORD God took the man and put him in the Garden of Eden to work it and take care of it." Friends, this is before the fall. This is before sin entered the picture and God added to our toil. We are created in God's image and part of that is working, creating, and fixing. There is something incredibly satisfying about working hard on a project and seeing it through.

Let's be a little introspective for a moment. When was the last time you worked on a project with God's kingdom in mind and felt that sort of satisfaction? When was the last time you worked with other Christians and were able to step back and happily proclaim, "I did that" or "I was a part of that?" When was the last time you were a part of a group studying God's Word together, walking deeper together, perhaps even leading someone to a new understanding in Christ?

This year we are talking about being All In. Nearly 40 West Side Christians signed cards and declared that they were all in. This is our June newsletter. We are now halfway through 2017. So, let's get the thermometer out and take our temperature. How are you doing? In what ways have you actively taken steps to be All In? We defined three areas where we are asking West Side Christians to be All In ... in study, in service, and in worship. We asked each West Side Christian to study at least one hour each week, to serve at least one hour each week, and to worship at least one hour each week. So how are you doing? In what ways have you taken steps to be All In?

Perhaps this year, one way you said I'm All In is by serving at the Lebanon Food pantry. Perhaps you decided you are going to attend a Bible study and have joined our men's and women's groups on Wednesday nights. Perhaps you are making a point to be here more Sunday mornings than you miss. Maybe you have decided that you are going to serve by helping take care of West Side's physical property.

Perhaps you made one of those decisions, or maybe even something entirely different, but you have yet to put it into practice. What is keeping you from committing. What is it you need to sacrifice in your life to fulfill your decision to be All In? What is keeping you from being able to stand back and say, "I was a part of that?" What is keeping you from reaching the satisfaction of completing your commitment?

Let me challenge you to take your temperature and continue your pursuit of being All In.

In Christ – Michael Dawson
